Reviews

We have helped many couples plan their special day,
here is what they had to say after their celebrations.

Our wedding day was all we could dream of and absolutely more.

From the moment we met Hayley to view your hotel we were filled with complete confidence that you would make our day special. At each meeting and every email you were kind and so helpful.

On our day Sue and Suzanna were calm and in complete control of everything They ensured that the day ran so smoothly we really cannot thank them enough They were so kind and we didn't feel rushed at all. Their gentle guidance was so much appreciated.

The food was fantastic and the service was so efficient. Every single member of staff were friendly and welcoming. All of the companies recommended by you (Kms and the DJ) were fantastic.

We really cannot thank you or recommend you highly enough. Everything was absolutely perfect and we still glowing from an absolutely amazing day.

Joanne & Doug x 3rd August 2024

We booked our wedding here 2 years ago and over them 2 years the team was amazing especially as I had a million and 1 questions over the time and nothing was too much effort for them they was amazing.

Our wedding day, was everything we ever dreamt of, it ran smoothly all day we didn't have to worry about anything and we got to enjoy the day and night to the max. The food was amazing and hot which is surprising when catering for a large number, the room and tables were beautiful it was like walking into a magical place. One of the best features is the sweeping staircase where you can have your photos taken. All of our guest had a great time and most saying it was the best wedding they have ever been to. Sue who was with us all day was absolutely amazing she is so good at her job and made sure we had everything we needed from preparation to the end of the day. All I can say is thank you to the whole team for everything you went above and beyond to make our day perfect in every way, I would highly recommend anyone to have their wedding here.
